

SOFTWARE EVALUATION LICENSE AGREEMENT

IMPORTANT!

1) **License to use the computer code (otherwise known as “PRECISE”) enabling the efficient and dynamic acquisition of ultrasound images via active feature acquisition (“Software”).** The Software you seek to use is licensed only on the condition that you (“YOU”) agree with The University of British Columbia, a corporation continued under the *University Act* of British Columbia with offices at #103-6190 Agronomy Road, Vancouver, British Columbia, V6T 1Z3, (“UBC”) to the terms and conditions set forth below. **PLEASE CAREFULLY READ THE TERMS OF THIS SOFTWARE EVALUATION LICENSE AGREEMENT (the “Agreement”).** If you do not agree to the terms of this Agreement, delete and do not use the Software.

2) Permission for Use.

- UBC grants to YOU a non-exclusive, non-transferable, non-sublicensable right to use the Software solely for non-commercial academic research and educational purposes on the terms and conditions set out in this Agreement.
- UBC grants YOU the right to modify the Software (“**Modifications**”) and use the Modifications on the terms and conditions set out in this Agreement.
- The Software and any and all documentation, knowledge, know-how and/or techniques relating to the Software, is and will remain the sole and absolute property of UBC. UBC specifically retains the right to grant licenses of the Software to third parties.
- YOU agree to acknowledge the UBC Inventor (as defined below) as the source of the Software in any presentation, publication or video related to the Software and/or Modifications and to reference the UBC Inventor’s arXiv manuscript in any of YOUR manuscripts or publications which include data or images generated through the use of the Software and/or Modifications as follows:

Armin Saadat, Nima Hashemi, Hooman Vaseli, Michael Y. Tsang, Christina Luong, Michiel Van de Panne, Teresa S. M. Tsang, Purang Abolmaesumi, PRECISE-AS: Personalized Reinforcement Learning for Efficient Point-of-Care Echocardiography in Aortic Stenosis Diagnosis, MICCAI 2025, <https://arxiv.org/abs/2509.02898>

If the arXiv manuscript is accepted for publication by a journal, YOU agree to cite the relevant journal publication.

3) Restrictions of Use. Subject to Article 4, YOU SHALL NOT and will NOT authorize any third party to:

- distribute, sell, re-sell, lease, transfer, loan, assign, trade, rent, publish or otherwise transfer the Software or any Modifications or any part thereof and/or copies thereof, to others, including for consideration, financial or otherwise;

- further develop, adapt, decompile, disassemble, translate into another computer language, create derivative works, use any part of the Software to mimic data or functionality in the Software, or otherwise reverse engineer the Software without the written permission of UBC;
- provide services using Software or Modifications to third parties, including industry or academic parties, whether for free or for consideration, financial or otherwise.
- alter or delete any of the UBC copyright notices present on, or in the Software and must retain such in any Modifications;
- add additional branding notices, copyright notices, credits, or contact information to the front end of the Modifications, without the prior written approval of UBC;
- license or sublicense the use of the Software or Modifications to others without the written permission of UBC;
- use, without its express permission, the name of UBC, or any trademark or logo of UBC in advertising, publicity, or otherwise; and
- export or re-export the Software and/or Modifications or any copy or adaptation, whether in violation of any applicable laws or regulations or otherwise.

4) The Software were developed in the lab of Dr. Purang Abolmaesumi (“**UBC Inventor**”) of the Department of Electrical and Computer Engineering at UBC. The Software has the following dependencies, which are subject to their own open-source licenses. Please review and agree to the appropriate open-source license prior to using the Software:

Code	Link	OS License
Python (v.3.9)	https://www.python.org/downloads/release/python-390/	GPL-compatible: dual licensed under the PSF License Version 2 and the zero-clause BSD License https://docs.python.org/3/license.html
PyTorch (v.2.0.0)	https://pytorch.org/get-started/pytorch-2-x/	BSD 3-clause https://github.com/pytorch/pytorch?tab=License-1-ov-file

If YOU are interested in using the Software and/or Modifications for any commercial purposes, please contact UBC's Technology Transfer Office at techtransfer@innovation.ubc.ca, referencing UBC file no. 2026-017.

5) Representation of Authority. YOU explicitly represent and warrant to UBC that YOU possess the legal authority to enter into this Agreement, and that YOU will be financially responsible for your use of the Software and any Modifications. You agree to be responsible for all license fees, costs, charges and taxes arising out of your use of the Software and any Modifications. YOU also acknowledge that YOU are solely responsible for supplying any hardware necessary to use the Software and any Modifications pursuant to this Agreement.

6) No Warranty. YOU further acknowledge and agree that the Software is experimental in nature and is **provided to YOU on an “as is” basis and for academic research and educational purposes only**. UBC has no obligation to provide any services, modifications, upgrades, updates, or replacements relating to the Software. **YOU acknowledge and agree that UBC makes no representations and extends no warranties of any kind, either express or implied. There are no express or implied warranties of merchantability or fitness of the Software for a particular purpose, or that the use of the Software will not infringe any patent, copyright, trademark or other rights, or any other express or implied representations or warranties.** In particular, nothing in this Agreement is or will be construed as a warranty or representation by UBC as to the validity or scope of copyright or other intellectual property rights in the Software; an obligation to furnish any other software, technology, or technological information; or an obligation on UBC to correct malfunctions that arise in the version of the Software that YOU receive. UBC does not warrant that the Software is free from malfunctions, nor that any malfunctions can or will be corrected or that UBC will develop or provide to you any operations, capabilities or features not present in the version of the Software that you receive.

7) Limitation of Liability. YOU agree that in no event shall UBC be liable to YOU and any third party for any indirect, consequential, incidental, punitive or special damages whatsoever, without regard to cause or theory or liability, or any damages (whether direct or indirect) incurred for loss of business, profits or revenue, loss of privacy, loss of use of any device or design files and software (including but not limited to, the Software), costs of procuring substitute or replacement goods and services, business interruption, loss of business information or other pecuniary loss arising out of this Agreement or the Software provided hereunder, even if UBC has been advised of the possibility of such damages. No member of UBC, its Board of Governors, officers, employees, faculty, students, staff or agents will be liable for any unauthorized access to, or any corruption, erasure, theft, destruction, alteration, inadvertent disclosure or loss of data, information or content transmitted, received or stored by or in connection with the Software regardless of the cause. UBC's total liability, whether under the express or implied terms of this Agreement, in tort (including negligence), or at common law, for any loss or damage suffered by YOU, whether direct, indirect or special, or any other similar or like damage that may arise or does arise from any breaches of this Agreement by UBC, its Board of Governors, officers, employees, faculty, students, staff or agents is strictly limited to ten Canadian dollars (CA\$10).

8) Indemnification. YOU agree to indemnify, defend and hold harmless UBC, its Board of Governors, officers, employees, faculty, students, staff and agents from and against any and all liability, loss, damage, action, claim or expense (including attorney's fees and costs at trial and

appellate levels) in connection with any claim, suit, action, demand or judgement arising out of, connected with, resulting from, or sustained as a result of YOUR use of the Software or any Modifications, or in executing and performing this Agreement.

9) Term. YOU agree this Agreement is effective for an unlimited period, unless terminated earlier by UBC.

10) Termination. YOU may terminate this Agreement at any time by ceasing all use of the Software or Modifications and destroying or deleting the Software (including the related documentation), any Modifications, together with all copies in any form. UBC may terminate this Agreement either upon 1) thirty (30) days prior written notice, or 2) immediately, if YOU breach or fail to comply with any term or condition of this Agreement, in which case this Agreement shall be deemed to have automatically terminated. Upon any termination, including termination by YOU, YOU must destroy (and confirm such destruction in writing) the Software (including the related documentation or materials), destroy any Modifications, together with all copies in any form, and YOU will have no further right to use the Software and/or any Modifications. Article 3 (Restrictions of Use), Article 6 (No Warranty), Article 7 (Limitation of Liability) and Article 8 (Indemnification) of this Agreement will however survive any termination of this Agreement.

11) Governing Law. YOU agree this Agreement shall be governed by, interpreted and construed in accordance with, the laws of British Columbia and the laws of Canada in force in that province, without regard to its conflict of law rules. YOU agree that by executing this Agreement YOU have attorned to the jurisdiction of the Supreme Court of British Columbia. YOU agree that the British Columbia Supreme Court has exclusive jurisdiction over this Agreement.

12) Miscellaneous. No modification of this Agreement will be binding on the parties, unless in writing and signed by an authorized representative of each party.

Should any provision of this Agreement be declared invalid or unenforceable, then such provision shall be deemed severable from this Agreement and shall not affect the validity or enforceability of the remaining provisions hereof. All rights in the Software not specifically granted in this Agreement are reserved by UBC.

YOU may not assign or transfer this Agreement (by merger, operation of law or in any other manner) without the prior written consent of UBC and any attempt to do so without such consent shall be void, with no legal force and effect, and shall constitute a material breach of this Agreement by YOU.

YOU acknowledge that YOU have read this Agreement, understand it, and that by using the Software YOU agree to be bound by its terms and conditions. YOU further agree that it is the complete and exclusive statement of the agreement between UBC and YOU, and supersedes any proposal or prior agreement, oral or written, and any other communication between UBC and YOU relating to the subject matter of this Agreement.
